FULTON COUNTY OHIO DEATH RECORDS
TRANSCRIPTIONS
BOOK #2
1886 - 1902

The Fulton County Genealogical Society would like to thank the Fulton County Records Department for all their help in the publication of these records, along with Chris Crew and Mitch Schoonover, who volunteered much of their time and talent to bring these records into a publishable format. Their hard work is much appreciated.

This book contains information first recorded at the Fulton County Courthouse. All transcriptions are a "best attempt" at reading the courthouse books. Some records were badly faded and have been checked with current available records, be they originals or microfilm.

Original spellings were used during transcriptions. Please check all spelling variances when looking for names. Some corrections known to us were made and were placed in parentheses along with the original.

Original records, as well as their microfilmed versions, are currently located at the Fulton County Records Department in Wauseon, Ohio. Due to budget constraints, please contact the records department before planning to visit.

Again, thanks to all who have helped in the compilation of these records. Without your hard work, these records may never have been published.
